With only four days for Coach Schulte's field hospital corps to prepare for the coming of the Drake Bulldogs Saturday there will be but little of the rough stuff in practice for the Missouri convalescents who last night did little but stretch themselves following the affair at Manhattan late this week. According to the Tigers' scout, Assistant Coach Ozark Woody, the Iowa aggregation which will come to Columbia this week is a heavy, fast eleven, which, once started is mighty hard to stop. Coach Woody saw the Bulldogs in action against Simkins Saturday, and it is his opinion that the Missouri men will have their hands full on Rollins Field Saturday afternoon.

Sprong, All-Valley Center, To Line Up With Drake.

The Drake team includes six letter men from the 1915 eleven, among whom is Sprong, all-Missouri Valley center, and considered by some the best line man who has ever performed in the Conference. Sprong is one of the few men who have gone up against Hamilton, and held his own. Either Captain Lansing or "Ham" will have a large assignment in handling this star who made the all-Valley mythical during his first year's play. Then there is Thomas, quarterback, Warlock, a giant tackle, Blackburn, a backfield star, Jernegan, a halfback, and Smith, a halfback who captains the team. Smith didn't strike much fear into the hearts of the Missourians last year, but he has probably improved. The team is composed mostly of sophomores in school.

McBride Says Kansas Has the Edge.

Kansas has the edge on the Tigers. That is the conclusion of C. E. McBride, sporting editor of the Kansas City Star, a football official, and one of the most consistent followers of the college game in the Valley. "Mac" opines as follows concerning the dope on the historic battle to be waged at Lawrence Thanksgiving Day:

"The lines on the Kansas-Missouri football dope are shaping themselves anew. The shift was started in the Kansas-Oklahoma game and Saturday at Manhattan the chart began to look like a real dope map again.

"The Jayhawkers apparently have the edge on their ancient and of late years highly respected enemy, the Tigers. A month ago it wasn't that way. Missouri started the present football season with a roar. Missourians talked of what the team would do to Kansas.

"The Jayhawkers didn't start with such a rush. Olcott's men took a hefty beating at the hands of Illinois. Then when Kansas fell in a 13 to 0 game before the Ames Aggies, the team that had fought 0 to 0 with the Tigers, it began to look like a Missouri year.

But about this time the lines on the dope chart began to shift. The movement became pronounced when Kansas defeated Oklahoma by practically the same score that brought the Tigers victory over the Owen men. Then the lines settled into a readable chart when the Tigers lost to the Aggies after the Jayhawkers had battled sixty minutes in a no score decision with their brethren from Manhattan.

"How the dope does change. The annual Kansas-Missouri game looks like a tossup with the Jayhawkers having the edge.

"Coach Olcott's team is on the way, if one may be pardoned for judging from the Oklahoma game. Coach Schulte's eleven has reached its highest speed, critics believe. Possibly Missouri slumped against Texas and the Aggies, but even so the Missouri coaches will find it hard to send the Tiger eleven into a higher speed than was shown in the Oklahoma game. The best the Tigers can hope to do is to attain that same speed."

C. H. S. Meets University High Friday on Rollins Field.

Intense local rivalry features the clash of the Columbia High School team with Coach Don Selbie's University high at Rollins Field Friday afternoon. Coach Schooler has taken his battlers to Moberly today and the result will furnish a good line on the outcome, the Moberly team having bested the Highbrows in a 6 to 0 game recently.

Although it is admitted that the town boys have much the edge on the University high team, Coach Selbie is hoping for a close score and promises several surprises for the Schooler eleven.

Moberly comes to Columbia November 25 for a return game with University High.

The rate is for a round trip of \$3.75 to Kansas City. From there on regular fare will be

SAYS WE SHOULD ANNEX MEXICO

Former Columbian Tells of Way Out of Border Troubles.

"Annexation of Mexico by the United States is the only solution for the trouble between the people of that country and us. The constant warfare in Mexico is due to the fact that the people cannot get food. Almost every inroad on the United States has been due to the fact that the Mexicans know they can find food across the Rio Grande."

This is the opinion of John T. Esrey after having lived within seven miles of the Rio Grande for several years. Mr. Esrey operates a farm near McAllen, Tex., and has been in close touch with the border situation at all times. He has been in Columbia, visiting with his family at 517 South Fifth street, for the past week, having returned to cast his ballot in the Presidential election.

According to Mr. Esrey, the Mexican situation is as critical now as it has ever been, due to the food shortage in Mexico. "If the troops on the border were removed, the starving people would begin crossing the river in search of food at once," he said. "Education might go a long way toward establishing a stable government in Mexico," he continued, "but even that is impossible so long as the United States stands aside."

Fifteen thousand United States troops are stationed at McAllen. Mr. Esrey has thus been able to receive the views of the soldiers on the situation, as well as see army life at close range. "The millionaire soldiers with the eastern regiments are apparently settling down for some time to come," he said. "Cornelius Vanderbilt has bought one of the finest estates in that vicinity and is living

comfortably with his family. Several other millionaires have established themselves in fine homes." Mr. Esrey will return to his farm within the next few days.

1916.

Sandy Canton, Bell Ellis, George Washington, John Simpson, Fannie Simpson, Bud Simpson, Emma Simpson, Kennard Roberts, Flora Winsley, Elmer Roberts, Dovie Johnson, Johnny Roberts, Willis Roberts, Bessie Warren, Maggie Robnett, Hattie Russell, Ruby Slater, and Joseph Slater—
Plaintiffs,
against—
Defendants.

Now on this the 23rd day of October, 1916, in session of term time of the Circuit Court of Boone County, Missouri, come the plaintiffs herein, by their attorney, and file their first amended petition herein, duly verified by the affidavit of C. B. Sebastian, agent and attorney for the plaintiffs, (the original petition having been filed July 27th, 1916) and in said amended petition state, among other things, that Henry Bradford died in Boone County, Missouri, in June, 1916, intestate, seized and possessed in fee simple of the real estate hereinafter described; that the said Henry Bradford left surviving him as his sole and only heirs at law, among others, one Warren Bradford, and that the said Warren Bradford, who was a brother of the said Henry Bradford, left Columbia in about 1870 and went to St. Louis, Missouri, and not long afterwards died; that he was never married and as plaintiffs are informed left no children; but plaintiffs are further informed that there are persons who claim to be his heirs and to be interested in the subject matter of this suit, whose names plaintiffs cannot insert in said petition for the reason they are wholly unknown to them and whom they can not further describe than as being the unknown consorts, heirs, devisees, alienees, or immediate, voluntary or involuntary grantees of Warren Bradford, deceased, and that whatever title or interest any of the said defendants have or might have in said land would be such as their ancestors in title aforesaid if still living would have and would be derived from him to them; that said defendants cannot be served with the ordinary process of this court.

It is therefore ordered by the court that the said unknown defendants be notified by publication that the plaintiffs by petition herein filed of date July 27th, 1916 and by amended petition herein filed of date October 23rd, 1916, have commenced against them in the Circuit Court of Boone County, Missouri, an action for the purpose of obtaining a judgment and decree of said court for the partition and sale of the following described real estate lying, being and situate in Boone County, Missouri, to-wit: Forty (40) acres the Northeast Quarter of the Northwest Quarter of Section Eight (8), Township Forty-seven (47), Range Twelve (12).

It is further ordered that said unknown defendants be and appear in this court on the first day of the next term thereof, to be held at the Court House in the City of Columbia, Missouri, on Monday, January 1st, 1917, to answer or plead to said petition, or in default thereof said petition will be taken as confessed and judgment by default will be rendered against them, in accordance with the prayer of plaintiffs' petition.

It is further ordered that a copy hereof be duly published at least once a week for four weeks successively in the Daily Missouriian, a daily newspaper printed, published and circulated in said Boone County, and designated by plaintiffs' attorney as most likely to give notice to said defendant; the last insertion of said order of publication in said newspaper to be at least fifteen days before the first day of said next term of said court.

Which Do You Prefer?

It is important for reasons of health and practical economy for every housekeeper to ask herself this question:

"Do I prefer a pure baking powder like Dr. Price's, made of cream of tartar derived from grapes, or am I willing to use a baking powder made of alum or phosphate, both derived from mineral sources?"

The names of the ingredients printed on the label show whether the kind you are now using or any brand, new or old, that may be offered is a genuine cream of tartar powder, or merely a phosphate or alum compound.

There is no alum nor phosphate in

Laura B. Hines and Roy Hines, Plaintiffs,
against—
Defendants.

The unknown consorts, heirs, devisees, alienees, mesne or remote, or immediate, voluntary or involuntary grantees of Reuben Gentry, deceased; and the unknown consorts, heirs, devisees, alienees, mesne or remote, or immediate, voluntary or involuntary grantees of John Tuttle, deceased; that Richard Gentry acquired title to the real estate hereinafter described in the year 1821, but there does not appear of record any conveyance from said Richard Gentry to any one; that John Tuttle appears to have acquired a tax title to said land on August 1st, 1829 and there does not appear of record any conveyance from said Tuttle to any one.

That those claiming under said Reuben Gentry and John Tuttle would have of record a title to and interest in the real estate hereinafter described under the respective deeds of their ancestors as hereinafter set forth but in what amount or proportion is wholly unknown to plaintiffs.

It is therefore ordered by the Court that the said unknown defendants be notified by publication that the plaintiffs by petition herein filed, of date October 18th, 1916, have commenced against them in the Circuit Court of Boone County, Missouri, an action for the purpose of trying, determining, settling, defining and quieting the title of the plaintiffs in and to the following described real estate, lying, being and situate in Boone County, Missouri, to-wit: Lots numbered Twenty two (22) and forty seven (47) Gentry's Subdivision and Parcel Addition to the City of Columbia, Boone County, Missouri, and by which said action the plaintiffs seek to forever bar and preclude the said defendants and each of them from setting up or claiming any right, title or interest in and to said real estate adversely to said plaintiffs.

It is further ordered that said defendants be and appear in this court, on the first day of the next term thereof, to be held at the Court House in the city of Columbia, Boone County, Missouri, on Monday, January 1st, 1917, to answer or plead said petition, or in default thereof said petition will be taken as confessed, and judgment by default will be rendered against them, in accordance with the prayer of plaintiffs' petition.
